

## **Institutional Analysis Gathering**

18-22 August 2023

Moise Palace, Cres, Croatia

### **DAY 1 – 18th of August**

Meet at Moise Palace – 8 pm / Group Dinner

### **DAY 2 - 19th of August**

10:30 – OPENING SESSION

Sanja Bojanić and Valeria Graziano from the University of Rijeka will introduce us to Moise Palace, and the contexts for IA in Croatia. Janna Graham and Susan Kelly will introduce the Network for Institutional Analysis initiative, what it could become and do, reflections on building a common repository of practices, etc.

16:00 – 18:00 - Marcell Mars and Valeria Graziano from Pirate Care will share their process for making collaborative web platforms and publications. We ask that those interested bring a text or archive fragment they think is important to their work in Institutional Analysis that could be contributed to a web repository. We will also talk about ways of working collaboratively in our time together and after this moment, from our various locations.

### **DAY 3 – 20th of August**

10:30 – 11:00 - Short input from Prof Petar Bojanić scholar who has recently written the book *In-Statuere: Figures of Institutional Building* (2023).
